

JESSICA VERMA PHOTOGRAPHY
presents our first annual

“Click or Treat” party

Bring your little pirates & princesses on Sunday, October 15th, for fun photos that show off their adorable costumes!

We will be doing 15-minute ‘mini-sessions’ at our studio throughout the day, for only \$15 per child - the perfect way to get great pictures of your kids in their Halloween costumes. Simply give us a call to reserve your time slot - there are limited spaces available, so book now!

And don't forget - Halloween wouldn't be nearly as exciting without friends to share it with, so if your child and their friends reserve back-to-back time slots, we will be happy to get pictures of them together as well!

Drinks and treats will be provided!

Please visit our website at www.jessicaverma.com or call (626) 507-8089 for more information and to reserve your time today!
